CREATIVE CONSIDERATIONS

- **Safety and professionalism must be immediately visible** to reassure users in a highly regulated industry and build trust, especially for first-time visitors.

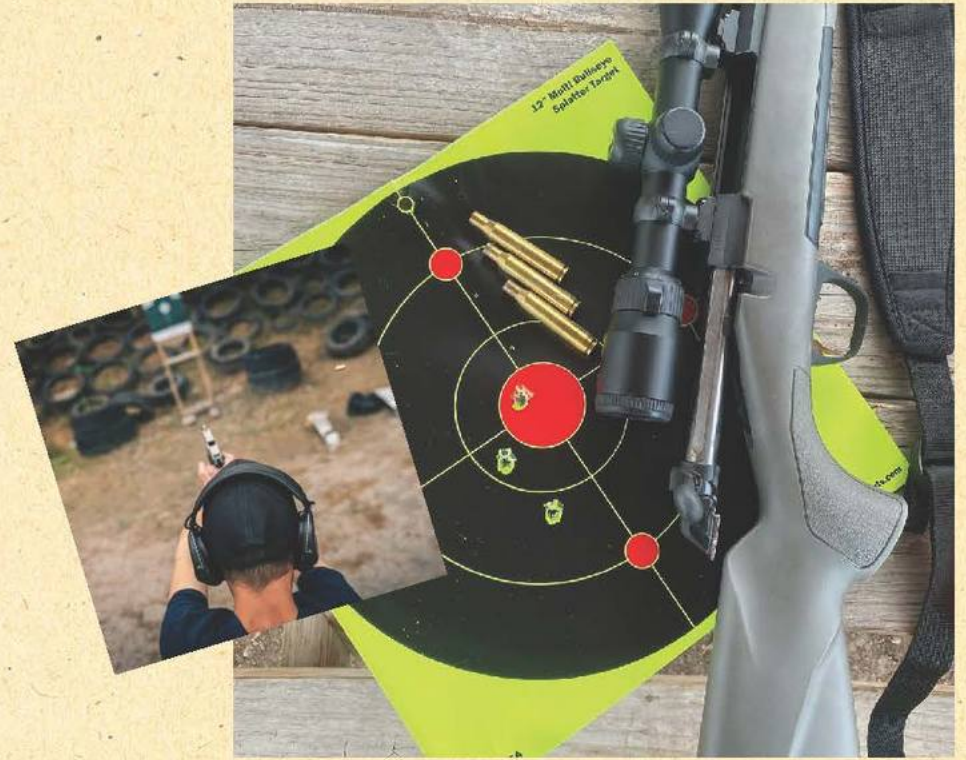

- **Visual tone should feel authentic but approachable,** reflecting the shooting-range environment without appearing aggressive or intimidating.

- **Design must support multiple experience levels,** ensuring beginners, experienced shooters, and group clients can all find information easily.

CREATIVE CONSIDERATIONS

- **Clear structure and consistent branding** help guide users through services, safety information, and booking with confidence.
- **Mobile-first design is essential,** as many users access hours, pricing, and booking on their phones.
- **All content must remain compliant with firearm regulations,** reinforcing credibility and responsible operation.

COMPANY BRAND INSIGHT

Strategic Plan

/1 Year Goal

Increase awareness and first-time bookings by improving clarity, safety messaging, and ease of use on the website.

/5 Year Goal

Position Stittsville Shooting Ranges as a leading regional facility for training, recreational shooting, and group events.

/10 Year Goal

Establish the range as a trusted long-term destination for both casual and competitive shooters in the Ottawa area.

COMPANY BRAND INSIGHT

Tone, Manner

Safe, welcoming, approachable, modern, This tone ensures the website communicates responsibility and trust while remaining accessible to beginners, credible to experienced shooters, and professional for group or corporate clients.

COMPANY BRAND INSIGHT

Key Message

Stittsville Shooting Ranges provides a safe, professional, and welcoming environment for shooters of all experience levels, offering reliable facilities, clear safety standards, and accessible training in a convenient local setting.

COMPANY BRAND INSIGHT

Unique Selling Point

Stittsville Shooting Ranges is the only facility in the area offering both indoor and outdoor ranges combined with certified instruction and a strong emphasis on safety. Its convenient Stittsville location makes it easily accessible for recreational shooters, competitive shooters, and group bookings.

Current and Desired Perception

/1 Current

Outdated visuals and cluttered layout may make users feel uncertain about safety and professionalism.

/2 Desired Perception

Users feel confident, informed, and welcomed. They trust the facility and are motivated to book sessions

COMPETITIVE ANALYSIS

EOSC

Strengths

- Clear navigation structure
- Organized training and membership information
- Event pages encourage community engagement

Club de Tir de l'Outaouais

Strengths

- traightforward service descriptions
- Simple structure makes content easy to locate
- Clear training program information

COMPETITIVE ANALYSIS

EOSC

Weakness

- Visually outdated design
- Dense text blocks reduce readability
- Limited visual hierarchy makes scanning difficult
- Mobile experience feels cluttered

Club de Tir de l'Outaouais

Weakness

- Outdated visual design and typography
- Limited imagery and weak branding presence
- Navigation feels basic and not very engaging
- Mobile responsiveness could be improved

COMPETITIVE ANALYSIS

EOSC

Insight

- Communicating access requirements clearly can help Stittsville feel more welcoming to new users.
- Community events are strong engagement opportunities. Stittsville could highlight own events to build loyalty.

Club de Tir de l'Outaouais

Insight

- Stittsville can highlight wider range options and larger facilities.
- Clear service descriptions and flexible access can attract both casual and serious shooters.
